(For debarment procedures, see subpart D of this part).

### § 12.825 Solicitation provision and contract clause.

The grantee awarding official shall insert the clause at § 12.830, Buy American Act—Construction Materials, in solicitations for procurement contracts awarded under a grant or cooperative agreement for construction inside the United States.

### § 12.830 Buy American Act—Construction materials.

As prescribed in § 12.825, insert the following clause in solicitations for procurement contracts awarded under a grant or cooperative agreement for construction inside the United States:

#### BUY AMERICAN ACT—CONSTRUCTION MATERIALS

(a) The Buy American Act (41 U.S.C. 10) provides that the Government give preference to domestic construction material.

*Components*, used in this clause, means those articles, materials, and supplies incorporated directly into construction materials.

*Construction material*, as used in this clause, means an article, material, or supply brought to the construction site for incorporation into the building or work. Construction material also includes an item brought to the site pre-assembled from articles, materials or supplies. However, emergency life safety systems, such as emergency lighting, fire alarm, and audio evacuation systems, which are discrete systems incorporated into a public building or work and which are produced as a complete system, shall be evaluated as a single and distinct construction material regardless of when or how the individual parts or components of such systems are delivered to the construction site.

*Domestic construction material*, as used in this clause, means (a) an unmanufactured construction material mined or produced in the United States, or (b) a construction material manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. Components of foreign origin of the

same class or kind as the construction materials determined to be unavailable pursuant to § 12.810(a)(3) of 43 CFR part 12, subpart E shall be treated as domestic.

(b) The contractor agrees that only domestic construction material will be used by the contractor, subcontractors, materialmen, and suppliers in the performance of this agreement, except for foreign construction materials, if any, listed in this agreement.

## § 12.902

including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient's regular accounting practices.

*Advance* means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

*Award* means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

*Cash contributions* means the recipient's cash outlay, including the outlay of money contributed to the recipient by third parties.

*Closeout* means the process by which a Federal agency determines that all applicable administrative actions and all required work of the award have been completed by the recipient and Federal awarding agency.

*Contract* means a procurement contract under an award or subaward, and a procurement subcontract under a recipient's or subrecipient's contract.

*Cost sharing or matching* means that portion of project or program costs not borne by the Federal Government.

*Excess property* means property under the control of any Federal awarding agency that, as determined by the Secretary, is no longer required for its needs or the discharge of its responsibilities.

*Exempt property* means tangible personal property acquired in whole or in part with Federal funds, where the Federal awarding agency has statutory authority to vest title in the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution of higher education or non-profit organization whose principal purpose is conducting scientific research.

*Federal funds authorized* means the total amount of Federal funds obligated by the Federal Government for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by agency regulations or agency implementing instructions.

*Outlays or expenditures* means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of: cash disbursements for direct charges for goods and services; the amount of indirect expense incurred; the value of in-kind contributions applied; and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

*Personal property* means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

*Prior approval* means written approval by an authorized official evidencing prior consent.

The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term may include, at the discretion of the Federal awarding agency, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or sub-contractors of recipients or subrecipients. The term does not include government-owned contractor-operated facilities or research centers providing continued support for mission-oriented, large-scale programs that are government-owned or controlled, or are designated as Federally-funded research and development centers.

*Research and development* means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions.

The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of "award" in this section.

*Subrecipient* means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the Federal awarding agency.

Suspension of an award is a separate action from suspension under the Department of the Interior Regulations implementing E.O.'s 12549 and 12689, "Debarment and Suspension." See subpart D of 43 CFR part 12.
